Letter No 181/33-G of 4.10.1933
from the Muzrai Comm

Requests in the circumstances stated therein, sanction to the proposal of the D.C. Kodur St. to utilise the compensation amount of Rs 1038 for repairing the building of the Sri Vinayakadevalu temple in Tarikere town.

Lands bearing S. Nos 29 and 31 of the Sri Vinayakadevalu temple in Tarikere town, were acquired in 1921 and the compensation amount of Rs 1038 then awarded for the lands was deposited in S.B. accounts. This has now accumulated with interest to Rs 1735-13-9. As the remaining portion of the income lands of the temple are sufficient to meet the expenses of the institutions, as the compensation amount is lying idle for 12 years and as the temple would come down if it is not rebuilt immediately, the Deputy Commr Kodur St. ~~proposes~~ has sent an estimate for Rs 1930 for rebuilding the temple and proposes that the compensation amount may be utilised for the purpose the balance being met from the General C. Muzrai Fund and State Funds for the current year.

The temple building being in a very neglected and dangerous condition, I am requested to submit the necessary estimate for the repairs for meeting the cost. I have submitted an estimate for Rs. 19,00/- and proposed that the compensation amount now in deposit may be utilised for the purpose of the balance required met from the State and the Provincial Fund for the current year. As the remaining income of the temple is not sufficient for the repairs of the temple, as the compensation is not being utilised for 13 years already, and as the temple is in a very bad condition and needs to be rebuilt immediately, I request your sanction for the proposed expenditure of the proposed sum by the Deputy Commissioner.

On receipt of Government sanction for the utilisation of the compensation fund, the estimate will be sanctioned and the amount required from the State and Provincial Fund will be provided for.

With reference to your No.546 of 1932-33 dated 10-2-33 requesting me to intimate the amount available at the credit of the above institution and to furnish particulars as to when and for what purpose the sum of Rs.1665-2-4 was deposited

Savings Bank account, I have the honor to state that the Amildar, Larikere, reports that a sum of Rs.1038/- was awarded as compensation for the inam lands viz Rs.25 and 31 of Larikere Masaba belonging to this temple acquired for the extensions of Larikere town in the year 1921. This amount which was held in Savings Bank deposit from 7-1-22 swelled to Rs.1665-2-4 by the addition of yearly interest to the principal up to the end of 1931-32. Including the interest for 1932-33 the amount in Savings Bank Deposit at present is Rs.1735-13-9. Besides this there is also a sum of Rs.45/- at the credit of the institution in Muzrai Funds.

In the award order it is stated that the principal should be utilised for the purchase of land in lieu of the inam lands acquired and that the interest realised in the meanwhile has to be paid to the aforesaid. The interest is not re-

and to the person.
